Reducing Monthly IT Costs Amidst Coronavirus

Turn to Experience in Unprecedented Times

While COVID-19 has created financial hardships, let it be comforting to know that PerCSoft is here to immediately help reduce your monthly fees. PerCSoft offers turnkey technology solutions including: hardware, software, digital equipment, phone systems, security, full automations, and audio for every phase of your practice.

Serving dentists since 2001 our experts understand not only the current landscape, but also the most effective solutions for a practice. PerCSoft's **monthly fee for a typical office of $149** covers managed updates, monitoring, security, unlimited online backup, unlimited phone support, and discounted onsite service. Similar dental technology companies are charging $700-$900 for the same or less services.

We understand the decision to change IT companies does not come easily, however this pandemic has caused many of our circumstances to change. With that said, we encourage you to make the easiest, most cost-effective decision - PerCSoft. Call us today at (262) 212-9552, email contact@percsoft.com, or please fill in the contact form on our website at http://www.percsoft.com/ to find out more.
